Twice a year we help sponsor a Gila Valley-wide campaign selected parts of the valley (communities, housing tracts, desert areas, recreation sites, etc.) using as many as 450 - 500 volunteers in a single morning. It has been a dramatically beneficial activity.

The SEAGO Area Agency on Aging serves people who are age 60 and over and/or their family members and a limited number of disabled adults by providing information and assistance in accessing services that will help older adults stay in their own homes and communities. The amount of assistance that is provided is dependent upon the needs of the older adult. These services can be short-term (such as getting signed up for a prescription drug program) or long-term (such as someone who is frail or who has a chronic health condition receiving ongoing monitoring and support from a Case Manager) and anywhere in between. Examples of community-based services include: congregate and home delivered meals, caregiver support, case management, housekeeping, personal care and help with benefit questions. Many of these services are provided on a donation basis and are delivered at the local level. For further information, contact Wanda Leikem at the SEAGO AAA at (520) 432-2528 Extension 208 or wleikem@seago.org .
