

Da'go'tah, Greetings!

My name is Leilani Olivar I am humbling seeking one seat on the Fort Thomas Unified District School Board. I am a member of the San Carlos Apache Tribe; reside in the Bylas Community all my life. I am a proud graduate of Fort Thomas High School and Eastern Arizona College. I have 4 beautiful children, 2 have graduated from Fort Thomas and 2 currently attending Fort Thomas high school as sophomores. I have worked for the San Carlos Apache Tribe for 18 years and the state of Arizona for 6 years. I am currently a member of JOM parent committee. I have volunteered many hours to the Bylas Community events in the past 9 years.

I have always had an interest to serve on the Fort Thomas School Board, after many years I feel like this is the year I want to step in. My main interest is the students of Fort Thomas School District and receiving the best education they may get. I have attended numerous events at the school and just seeing the children smile, happy, and always willing to learn makes me want to become involve. I love working with the people in my community and neighboring communities. I have volunteered many hours to the youth in our community for various events. I will make the best decision for the students and staff at Fort Thomas Unified School District. I love to work as a team and will make decision based on the student needs. I will also help make the best decision to the best of my knowledge and serve with pride if elected as Fort Thomas School Board member.
