

The Graham County General Services Building is
Closed to the Public

These Offices are Still Open for Business
Telephonically, by Email, and by Appointment as
Available to Provide Services

These offices are closed to the public as a precautionary measure to encourage social distancing and compliance with protocols provided by our national, state, and local leaders. It is our goal to keep you and your families as well as our employees healthy! We are open for business and are confident we can provide necessary services via telephone and/or electronic means. In the event we are unable to accommodate your request, we will make special arrangements to ensure your needs are met.

For any questions or services please call the following:
